

THAKAR
Mark of Quality

LEADING MANUFACTURER AND
Worldwide EXPORTER of
Food Products

CORPORATE PHILOSOPHY

At THAKAR – Quality and Commitment are a way of life.

Our constant quest for innovation and bringing better products is fuelled by the thought that our sincere efforts will bring comfort, convenience and affordability to our customers and more satisfaction and a sense of achievement to us.

Thakar's family makes every effort in bringing you the best in ethnic food products. With humble beginning in 1987, the company follows the founders' philosophy that if you ensure quality, quantity will follow and there should be no compromise between customer, quality and business operations.

“We wish to become a Mark of Quality when it comes to Indian Ethnic Food Products by giving Great Authentic taste.”

We are dedicated to become the pioneer in quality and timely deliveries with our office working round the clock for prompt and speedy services to our clients in every corner of the world. We wish to deliver food products to variety of communities worldwide and connect them to their hometown.

THE GROUP - THAKAR

The story began in late eighties when the promoter of the company conceived the idea of manufacturing ferrous and non –ferrous components. The recognition of our quality came as we were on the approved list of UNICEF. That beginning made a big dent in the Indian domestic market with its quality and dedication.

After success in the domestic market, Thakar group saw an opportunity to broaden its horizons and entered into the international arena in early nineties with manufacturing and exports of spices and other Indian Ethnic food products.

With professionally qualified people in the field of international trade, the group worked on the philosophy of quality and timely deliveries.

Today the group is a multiproduct and multi unit organization having several industrial units in New Delhi, Navi Mumbai and U.A.E.

Agro food products, Indian ethnic products, Frozen Food Products, Utensils, Prayer articles, FMCG, are the core products serving worldwide clients.

We are a Government Recognized star Export House and are registered with FSSAI, APEDA, SPICES BOARD, TEA BOARD, COCONUT BOARD and US FDA.

WHY US

- In House Manufacturing, Packing and Testing Facilities with ultra modern international standards of machineries.
- Pioneer in quality and timely deliveries to worldwide customers.
